7. Garden Ceremony (eg. Wedding, Funeral)

Carrick Hill has two Wedding Ceremony sites available, close to the house. They are the 'Cypress Pines' area and 'The Elms' area. These sites can be booked for two-hour periods. It may be possible to extend the period at an extra charge, depending on other bookings held. All Wedding Ceremony only bookings must finish by 4.00pm.

As the two-hour time period is to include set-up and decorations, guests arrival, ceremony and photographs, we would suggest that your ceremony commence half an hour from the starting time to allow time for photographs in the grounds after the ceremony.

It is possible that the Elms and Cypress Pines areas could have ceremonies booked simultaneously.

The area you have selected will be set-up prior to Carrick Hill opening to the public. Members of the public or wedding guests may at times rearrange benches etc prior to your booked event so there may be a need for you to move furniture back to suit your requirements.

For Wedding Ceremony only bookings, finger food and/or drinks packages are available from the Carrick Hill caterers (Red Jam) – Self catering is not permitted.

In the event of continuous inclement weather on the day of the ceremony the supervising house attendant will decide, at least half an hour before the ceremony, whether it is possible to bring the Wedding Ceremony into the House, giving due consideration to other visitors to Carrick Hill. **THERE IS NO GUARANTEE THAT THIS WILL BE POSSIBLE.**

Should your Garden Wedding Ceremony be brought into the House due to inclement weather it will be for the Wedding Ceremony only and the Wedding Party and guests must leave the House within 15 minutes of the completion of the ceremony so that visitors to the House are not inconvenienced. As food and drinks are not permitted inside the House during public hours, alternative arrangements will need to be made with the Carrick Hill caterers for any prearranged catering.

8. Hire Equipment / Chairs for Ceremonies

Please advise Carrick Hill of any equipment being brought in for ceremonies. Arrangements will need to be made with Carrick Hill for deliveries of chairs etc. It is the responsibility of the client to set up and pack up chairs or any other equipment brought in from outside at the completion of the booking. Chairs hired from Carrick Hill will be left for collection outside the House behind the Security Office. The chairs will need to be packed up and returned to this area at the completion of your booking.

9. Wedding Rehearsal/ Site visit

Wedding Rehearsals and/or site visits are inclusive of your hire fee and can be made by arrangement with Carrick Hill staff.

10. Care of the House, Gardens and Grounds

Smoking is prohibited within the House and the Marquee. The lighting of candles in the House is also prohibited due to the sensitive fire detection system; candles may be used in the marquee.

The taking of photographs of any kind (including by mobile phone) and video recording is not permitted in the House for security reasons.

Paper confetti and rice are not permitted – only rose petals or bubbles may be used in the grounds. Empty bubbles' containers must be placed in the rubbish bins provided.

House

Carrick Hill is fortunate in being one of the few period homes in Australia to survive with its original contents almost completely intact and its grounds undiminished. As there are many valuable and irreplaceable items on display inside the house we ask that clients using the House for functions take care not to cause any damage to the House or its contents.

Carrick Hill requests that guests attending a function not touch or place items on the furniture. Dancing is not permitted in the House.

Any breakages and damage will be charged accordingly.

Note: Under NO circumstances can the bollards be removed to allow wedding cars or any other motorised vehicles to drive closer to the House.
